## Lesson 3 Use What You Have

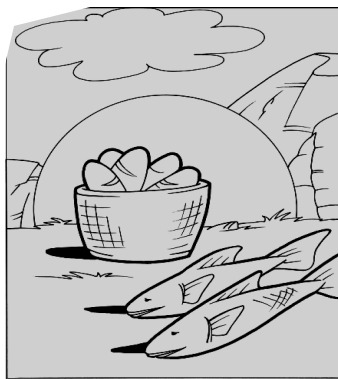

Read Luke 9:12-17

After so many wonderful things Jesus did for the apostles they must have wanted to do whatever they could for him in return. One day, after the Lord had been teaching a large crowd on a hillside, Andrew came to him and said, “It is getting late, Lord, and the people have nothing to eat. We should tell them to go home.” But Jesus said “Give them to eat.”

In the Gospel of John it tells us that a little boy had brought with him 5 loaves of bread and 2 small fish but he was willing to share them [John 6:9] So Jesus said for everyone to sit down and he prayed to bless this simple gift. The apostles passed the small amount of food around to all those people. When everyone was finished they collected what was left and had twelve baskets full! A great miracle happened because one little boy gave to the Lord all he had!!

What do you have that you can give to the Lord, for him to use to help others? Maybe it is some thing or some talent or some of your time. But whatever you give to Jesus he will bless it, use it, and often return it to you many times over!
