

Good News

from your missionaries,
the Goodrums

27th Year - May-July 2017

Our sailboat, *Faith*

BUSY, BUMPY and BLESSED!! There is no better way to describe our ministry in the Bahamas. But - as always - we look forward to what God has next in store as opportunities for ministry keep lining up before us. As you can see in

Our "car" in the islands

these photos we certainly have been getting things done, with lives touched, souls saved, and church members inspired!! Last Fall hurricane Mathew came directly over us [see article on back] with winds over 130 miles per hour and it seemed our work might come to a halt. But we continue repairing our boat *FAITH*, visiting the islands by plane, and carry on the important work of writing literature for the scouting program we created for the Caribbean, *LIFEBUILDER BOYS*. Please continue lifting us and this great work in prayer - helping us to stay

Some of our LBB young men we are so proud to instruct , inspire and invest our selves into.

busy , pressing onward (even when it gets bumpy), and to do our best to bless and be blessed!

Thank you for being our partners in this great purpose !!!

Preaching the Good News is always a priority

Dave sings with LBB leaders during a special men's event

A joy to be with Pastor Dan Nixon again. On a Sunday years ago, when he had planned to resign from ministry due to hardships, we showed up after our dinghy was stolen. My 'Shipwreck Sermon' turned his world around.

Now, his success in pastoring, starting churches, and building a school for ministers proves again that, for us through faith, not only are our 'steps' ordered by the Lord' but so are our stops!

Witnessing to a man on shore in Bimini

We delivered to Adventure Learning Center (Nassau) a printer donated by a Georgia Baptist church. Pray for this fruitful ministry!

Now, once again, our dinghy (versatile two-part design) was stolen off a Nassau beach, leaving us struggling to get to shore at times. Pray for our wisdom in finding her replacement.

A Meeting With Matthew

Another hurricane! This one was number twelve for us in our 27 years as sailing missionaries. I would like to think they might get easier - but they don't!! This one

had winds over 130mph, but our greatest damage came two days earlier, as we were trying to outrun the approaching menace. Pre-storm squalls caught us in the middle of the night, tearing our sail, then dashing us into

small rocky islands. With a failed engine, bent rudder, and a hole in the hull sinking our boat, we made our way southward despite tattered sails. When close enough, a small boat came out to pull us into the safety of Highborne Cay where the marina staff saved our boat and placed us into a secure home on a hilltop to ride out the fury of this great storm as our boat held its place with only minor wind damage.

Dave giving Bibles & songbooks

This opened opportunities to minister to new people on a new island. Thanks Lord!!

WOW! Online Personal Evangelism Course

On our website is my "Making Personal Evangelism Personal" lessons on how to share your faith with family and friends. The eight pages of illustrated notes are great for personal study or to be used by Sunday schools and small groups. Visit www.SailingServant.org and see at the bottom!!

Also on our site: [video exposing Global Warming Hoax](#)

Share our journey with us?

We have been serving in the Caribbean and Central America as full-time missionaries for over twenty-six years: training pastors and teachers, reaching young people through Children's Crusades, ministering to boating families from around the world, and using our sailboat to carry Bibles, literature, medical & relief supplies to needy nations. Offerings and personal gifts support our work. Thank you for any help you can give. But most of all, thank you for your prayers!!

LIFEBUILDER BOYS - the focus of our hearts and labor

From our first arrival in the Caribbean in '93 I recognized a need for a scouting-like program that would challenge, instruct and (most importantly) disciple the young boys here. But I also had a burden for ways to get men in the churches involved in

meaningful ministry,

With my son Jeremy's help we introduced an American program but it eventually faltered (mostly due to its own program changes.)

A few years ago I was asked to develop a new program that would appeal to island men & boys, and be suitable to the resources that are available here. Hence,

Lifemaker Boys, and our motto is

A part of the already over 200 boys in this exciting, new ministry

Boys at my Water Safety training held last summer [more pics on our website]

Me and national LBB director Sanford Rolle with one of our many boys honored for their high achievement.

Men being trained in Bimini. Pray for this exciting program to reach all our boys on all our islands!

Deb and I feel blessed to be able to do so much for the Lord!!
